

Recommended Tree List																	Oct-24
Genus	Species	Common Name	Size H x W	USDA Zone	Edible	H2O needs	wind break	Good pollinator	Street/Urban Tree	Good fall color	power line friendly	Ever-green	Showy Flowers	Native to Inter-mtn West	Distinguishable features/ notes		
Acer	grandidentatum	Bigtooth Maple	50' x 40'	4		1									native, short, a bit wild		
Amelanchier	arborea	Service Berry	25' x 15'	4		1									Tough, showy native		
Morus	alba	Mulberry	50' x 50'	4		1									edible fruit, white = less mess		
Acer	ginnala	Amur Maple	15' x 15'	2		1									short multi-stemmed		
Acer	platanoides	Norway Maple	50' x 40'	3		2									large shade tree		
Asimina	triloba	Paw Paw	15' x 10'	5		2									tropical-like, purple flowers, need 2		
Celtis	occidentalis	Hackberry	60' x 60'	4		1									unique bark		
Cornus	mas	Cornelian Cherry Dogwood	20' x 15'	4		3									flowers, small, edible		
Cornus	kousa	Kousa Dogwood	20' x 20'	5		3									flowers, small, edible		
Crataegus	ambigua	Russian Hawthorn	20' x 20'	4		1									flowers, short, poisonous seeds		
Crataegus	phaenopyrum	Washington Hawthorn	30' x 25'	3		1									flowers, short, edible fruit		
Juglans	cinerea	Butternut (walnut)	60' x 60'	3		2									edible nuts, large shade tree		
Liriodendron	tulipifera	Tulip Tree	90' x 50'	4		2									unique leaves, large flowers		
Malus	sp.	Spring Snow Crabapple	20' x 15'	4		1									almost no fruit/no mess		
Malus	sp.	Prairie Fire Crabapple	20' x 15'	4		1									edible, small ornamental		
Platanus	acerifolia	London Plane Tree	100' x 70'	4		1									mottled bark, urban		
Prunus	cerasifera	Purple Leaf Plum	25' x 25'	4		2									purple color, flower		
Prunus	serrulata 'Kwanzan'	Kwanzan Cherry	30' x 30'	5		2									short, showy, no fruit, short lived		
Prunus	amygdalus	Hall's Hardy Almond	15'-20'	5		2									edible almonds, showy flowers		
Pyrus	calleryana 'Bradford'	Bradford Pear	50' x 30'	5		2									flowers		
Pyrus	calleryana 'Aristocrat'	Aristocrat Pear	35' x 25'	5		2									flowers		
Syringa	reticulata	Japanese Lilac Tree	30' x 20'	3		3									short, fragrant		
Abies	lasiocarpa	Sub-Alpine Fir	100' x 8'	2		1									tall skinny small needle evgrn.		
Alnus	glutenosa	Black Alder	60' x 40'	3		1									irregular form, black catkins, N fixing		
Betula	occidentalis	Water Birch	20' x 20'	4		3									native, flaking white bark		
Betula	occidentalis fontinalis	Western Red Birch	20' x 20'	4		3									cinnamon bark, resist borers		
Larix	occidentalis	Western Larch	120' x 20'	2		2									deciduous conifer, fall color		
Pinus	aristata	Bristlecone Pine	50' x 20'	4		1									slow growth, unique form		
Pinus	edulis	Pinyon Pine	50' x 20'	5		1									edible pine nuts		
Pinus	monticola	Western White Pine	90' x 30'	4		1									ID State Tree, large evergreen		
Pseudotsuga	menziesii	Douglas Fir	80' x 20'	4		1									lumber wood		
Quercus	gambelii	Gambel Oak	30' x 20'	3		1									native, small		
Aesculus	hippocastanum	Common Horsechestnut	60' x 50'	3		2									palmate leaf, upright flowers, toxic fruit		
Carpinus	betulus	European Hornbeam	40' x 20'	4		2									compact upright growth		
Catalpa	speciosa	Northern Catalpa	70' x 40'	4		1									huge leaves, long pod fruit		
Chamaecyparis	nootkatensis 'Pendula'	Weeping Nootka Cypress	35' x 10'	4		2									weeping curtain evergreen		
Cotinus	coggyria	Purple Smoke Tree	15' x 15'	5		1									short, bingo parlor hair		
Fagus	sylvatica 'Tricolor'	Tricolor Beech	25' x 15'	4		2									unique leaves		
Fagus	sylvatica	European Beech	60' x 50'	4		2									large shade tree		
Ginkgo	biloba	Ginkgo, Maidenhair	50' x 35'	3		2									no pests/problems, soil tol., Dioecious		
Metasequoia	glyptostroboides	Dawn Redwood	100' x 25'	4		2									coolest name, prehistoric tree		
Picea	engelmannii	Engelmann Spruce	100' x 15'	2		1									almost weeping evergreen		
Pinus	flexilis 'Vanderwolf'	Vanderwolf Pine	30' x 15'	4		1									long soft texture		
Pinus	strobus 'Fastigiata'	Fastigiata White Pine	40' x 10'	3		1									upright growth, evergreen		
Pinus	sylvestris	Scotch Pine	60' x 40'	2		1									cinnamon bark, short needles		
Quercus	robur 'Fastigiata'	Fastigiata Oak	60' x 20'	5		1									upright strong oak		
Quercus	palustris	Pin Oak	70' x 60'	4		1									strong		
Quercus	robur	English Oak	70' x 70'	5		1									strong		
Quercus	macrocarpa	Bur Oak	80' x 80'	3		1									strong, quicker growth for oak		
Rhus	typhina	Staghorn Sumac	20' x 25'	3		1									edible red fuzzy fruit		
Zelkova	serrata	Sawtooth Zelkova	60' x 50'	5		2									like elm but without disease
